PROFESSIONAL EXPERIENCE

J.P. Morgan Argentina | Middle Office Analyst

Jul. 2021 – Nov.2022

Managed the settlement of treasury bond transactions between front office and desk clients, ensuring adherence to company policies and legal regulations. Conducted research and analysis on financial matters, and prepared risk measurements and daily P&L reports.

ICBC Argentina | Senior Financial Planning Analyst

Mar. 2020 – Jul. 2021

Responsible for generating comprehensive reports on the bank's performance, supplying high-quality data crucial for decision-making across key business areas

ICBC Argentina | Risk Assurance Analyst

Sept. 2017 – Mar. 2020

As an Internal Audit Analyst, I analyzed risks associated with products and areas, conducting thorough reviews of documented controls. Prepared audit reports for presentation to product/area stakeholders.

PwC Argentina | Service Delivery Center Analyst

Jan. 2016 – Jul. 2017

As an Audit and Internal Control Analyst leading a team of three, I oversaw a range of tasks including planning, negotiating, and reviewing team assignments, while ensuring adherence to company policies.
